The Saint Patrick's Day Dance was successful. The food was good, the music was hot and all had a great time. Big thanks to the Metamora Fire Department and all of the Lions and Lionesses that helped out. Big thanks to all of the Lions that attended. Lion Bum "Shrek" Yorks was a great sport stepping up for this year's spring shearing raising \$800. **THANKS BUMMY!!!**

Thanks to all the local businesses that helped make the St. Patty's Day Dance a success: Greg's, Country (Sundance) Restaurant, E.G. Nicks, the White Horse Inn and Lion Dan Gange (K-Tool Corporation) for their donations of prizes and gift certificates.

The 3rd Annual Gun Raffle ticket sales will be starting soon. The license application has been obtained and tickets will be printed shortly. Please contact Chairman Lion Gary Parker if you can be a team leader this year.

2006 - 2007 Awards Night is Saturday, June 9, 2007, at Hunters Creek Club. Cocktails start 6pm and Dinner will be served at 7pm. The Club's 2007-2008 Officers will be installed this evening. Bring yourself (and the better half) and enjoy a good meal and nice evening with friends

Lions: John B, Scott H, Phil K, Todd L, Denny R, Bob R, Barry S, Phil S and Lloyd W ... We haven't seen you at a meeting in a while. You won't recognize the place; yards of concrete have been poured, a storeroom has been added, cupboards were put up for storage, an additional sink was installed next to the kitchen and the bar service area has been renovated.

Elections of Officers will take place at the April 12, 2007, dinner meeting. We will also be voting on Lion of the Year and the 2006 -2007 Distinguished Service Award recipient. Make sure and attend and make your vote count. Last years recipients were Lion Bart Curry and Lion Gary Parker.

White Cane Sales will take place Saturday, April 21, 2007. Lion Bud Tucker is chairing this year's sales. Lions participating should meet in the hall at 8am Saturday morning. Please help Lion Bud Tucker and sign up at the 4/12/07 dinner meeting. The bigger turn out we have, the shorter the shifts worked. If this kind of work detail is not your bag work the Bear Lake Camp Mix/Fix.

We are in need of fund raising ideas to keep the fireworks up to last year's standard. We are only one third of the way to last year's show. A lower than expected turnout resulted in less money for the fireworks this year than last year, raising about \$2,000. Last year we had \$6,000 to spend for the fireworks show.

The annual D – Bar - A Scout Camp Mix/Fix is coming up in May. Volunteers are needed for this annual Metamora Lions Club work detail.

The Metamora Lions Club Membership Directory is coming in July make sure your info (address & phone number) is up to date.

Lions Bear Lake Camp Mix/Fix is happening the same day as our White Cane Sales, Saturday, April 21, 2007, from 9am – 2pm, at Lions Bear Lake Camp, Lapeer. This is a great opportunity to see first hand what the Club's donations to Bear Lake Camp really accomplish. Lion Dale Walker is looking for volunteers with chainsaws, rakes and shovels. There are a 1¼ miles of walking trail that need attention. If you can't help here, do the White Cane Sales in town.
