The White Cane Sales this year are on **Friday, April 17, 2009, 8:00am – 6:00pm and Saturday, April 18, 2009, 8:00am – 2:00pm.** This is a low risk fundraiser for the Club. The investment is small (the purchase of White Canes) and is paid for (we have an ample supply on hand) from prior years. **We Need Volunteers to Sign Up and SHOW UP Friday & Saturday.** We manned the intersection of Dryden Road and Oak Street last year.

Lion Bud Tucker did a great job with his small but dedicated crew. Please find some time to help with this important fundraiser that not only raises money, it puts the Lions Club out front in the community. **See Lion Bud Tucker or Ken Fenbert** to sign up and help. **DO YOUR PART - SIGN UP and SHOW UP!**

If you haven't been to Hall in a while the new carpeting is in and it looks great. **Big Thanks to Lion Joe Kirschner** and everyone that helped with this project.

Awards Night invitations are in the mail. Filet mignon is on the menu for the night. Please **RSVP** to Lion Bart Curry by May 1, 2009, so we can finalize the guest list for Lapeer Country Club.

Preparation is under way for the Lions Mothers Day Breakfast. Lions Al and Guido made over 80 pounds of pork sausage for the event and it's in the freezer ready to go. We need volunteers to be at the hall by 7:00 am to get ready for the breakfast.

The Club's membership is now at 103 members with the addition of the March installations.

Metamora Days will be here before you know it. Bring your ideas and suggestions to a meeting before so they can be considered for implementation before it's too late to make them happen.

We need a team of cooks for the first meeting in June (June 11th this year). We need a team to sign up for this date and plan on cooking the first June meeting going forward. Also we need to go over the cook's list and adjust dates going forward.

The Nascar Party, Bristol 500, Sunday, March 22, was a lot of fun. Lion Ron Hanson was the big winner taking the top prize in the \$5 Winner Pool. Luann Best, Deanna Fenbert, Hollywood, Al and Guido were also winners. There was a lot of good food and company. We are considering having another party on a Saturday 7pm evening race such as September 12th, at Richmond or October 17th, at Charlotte. Give us your thoughts.

The 2009 Gun Raffle Tickets will be printed soon. **See Lion Ralph Madison** if you can be a captain (two captains are needed at this writing). The tickets will be passed out at a meeting this month. Let's get a jump on this project and sell the tickets early for this important fundraiser.

Lion Dennis D'Epifanio is looking for help setting up a **car show** for **Metamora Days.** We need to get someone lined up that has experience running a show with car club contacts. If we cannot get something going this month we will have to wait until next year to have another car show.

The Children's Charity Fund is down to one source of funding (the "Children's Charity Fund Golf Outing"). The Club needs fund raising ideas for this worthwhile cause. The "Reverse Raffle" was the other major fundraiser for the fund in the past. Lack of interest in this event has lead to its demise.

Lion Frank Porretta leaves the board of directors after nine years of service as the Charities Chairman. Although, no longer on the board, his expertise and guidance is only a call away as a valued member of our club and it will be sought when the need arises. **Thanks to Lion Frank,** his invaluable work setting up the Lions Charities Fund, his service to the Club and to the community.
